

Miss Arizona / Miss Arizona Outstanding Teen Scholarship Pageant

Photo and Video Frequently Asked Questions (FAQ)

When will we receive our materials? There is a significant amount of work that goes into the post editing of the photos and video. We work diligently to complete everything as quickly as possible. We have been fortunate enough to work with the Miss Arizona Organization for years now and always ship everything out in 30 days or less from the end of State Week.

When can we turn in our order form? We offer a significant discount if you order and pay prior to June 1st but you may submit the order form at any time. Please do not hesitate to give it to us at any of the events during the week; we will be the ones behind the cameras! We have prior years available too.

Do you capture everything? We use multiple photo and video cameras at every event and try to capture everything possible. We position our cameras in accordance with the rules of the Mesa Arts Center and to avoid obstructing the audience views to the best extent we can. Because these are live events sometimes things happen where we do not have the best photo or video available for a specific moment in time. We place multiple microphones throughout the auditorium to capture the performance and the audience reaction. These recordings are used to produce the final audio tracks in the produced videos.

Can we post the photos on social media sites? Yes, you are free post or print your photos as wish without any other fees from us. We ask that you do not copy and share your photos or videos with the other competing contestants as this violates the spirit for which we produce and distribute the pageant media. We put a significant amount of time in capturing and producing the photos and video and are compensated solely on sales.

Will we see some of the photos and video on the news (TV or printed)? Yes, we provide all the media materials from the shows for multiple news sources. We produce materials for the winners late Saturday night and the media starts to broadcast early Sunday morning. If you have local news media that would like to publish a story about your participation, please have them contact us and we will gladly supply the appropriate materials for you.

Can we have a highlight video put together of just one contestant? We are available to produce custom materials. Please do not hesitate to contact us so we can discuss your specific needs and provide a fees quote. We are also available to do other events (weddings, conferences, presentations).

We are honored to be selected again to capture the memories of this special week. If there is something we can do to help you, please do not hesitate to contact us! wayne@lc-fotografia.com or 520-401-2079.
